CASE STUDY:

ADVANCED ROOFING SOLUTIONS DOUBLES BUSINESS IN 30 DAYS

Advanced Roofing Solutions relied mainly on referrals, word of mouth and association relationships before partnering with Leads4Trades.

Within the first 30 days, so many qualified leads were generated that Advanced Roofing Solutions had to immediately evolve to keep up. In order to meet their new demands, they bought more trucks and doubled their crew.

1 month after moving all of my ad business over to Leads4Trades, my phone is ringing non-stop. I have literally had to double my man power in order to keep up with the demand in a very competitive market. Thanks guys!
